

Conflict Resolution

Conflict between committee people and or members of a Club can spell trouble with a capital "T". SportzMortgage has trained specialists in mediation and collaboration processes and is happy to extend this service to Clubs free of charge.

If you are a President – Committee Member or concerned member you are invited to contact SportzMortgage.com.au and discuss the matter with a member of our team.

All discussions are kept in strict confidence and will not be shared to any third parties unless consent is granted by your Club.

The reality of conflict is that it originates when there is a difference of opinion or personal values and because committees are formed by individuals from different backgrounds different beliefs and different experiences – conflict can exist in any Club.

It is not a question of who is right or wrong – it is a question of how the committee can continue to function effectively – despite the differences of opinion.
